2. The Committee will hold its meeting once or twice or earlier if the exigency of service may so demand. The tenure of the Committee would be one year in the first instance and its headquarters would be at Simla.

3. The official members of this Committee will be entitled to the travelling allowance and daily allowance admissible to them according to the rules applicable to them for attending the meeting from the respective Departments.

4. The Non-official members of this Committee will be given following travelling allowance and daily allowance as follows:—

I. TRAVELLING ALLOWANCE

(I) JOURNEY BY RAIL:

(a) *Non-Official members*—They will be treated at par with Government servants of the first grade, and will be entitled to a single fare of the class of the accommodation actually used, but not exceeding the fare to which the Govt. servant of the first grade are normally entitled i.e., accommodation of the highest class, by whatever name it may be called, provided on the railway by which the journey is performed excluding air-conditioned accommodation plus an allowance for incidental expenses at

the rate of 35 paise per every 10 kilometers or part thereof, if the journey exceeds 5 kilometers restricted to one daily allowance at the ordinary rate for every twenty-four hours of railway journey or part thereof.

(b) *Journey by Road*.—In respect of journeys by road between places not connected by rail, a member will be entitled to road mileage admissible to an officer of the first grade under the rules and at the rates applicable to the employees of the H. P. Government.

In case where journey between two places connected by rail is performed by road, rail being the ordinary mode of travelling, the road mileage will be regulated as under:—

- When a journey is performed taking a single seat in a public conveyance, he will be entitled to actual fare paid for a seat in public conveyance plus incidental admissible as for journey by rail or the lower rate of road mileage limited to rail mileage, whichever is less.
- When the journey is performed otherwise the higher rate of road mileage, but limited to rail mileage will apply.

II. DAILY ALLOWANCE

(a) The non-official members will be entitled to daily allowance for each day of the meeting at the highest rate admissible to a Govt. servant of the first grade for the respective locality.

(b) In addition to daily allowance for the day of the meeting, a member shall also be entitled to full daily for the preceding and/or the day following the meeting if—

- he arrives in the forenoon of the day preceding the day of the meeting or on an earlier day; or on a later day
- he departs at 12 noon or in the afternoon of the day following the day of the meeting or on a later day.

But he will be entitled to only half daily allowance for the day preceding and/or for the day following the meeting if—

- he arrives at 12 noon or in the afternoon of the day preceding the day of the meetings and/or
- he departs in the forenoon of the day following the day of the meeting.

(c) Daily allowance will be subject to the usual conditions laid down in Supplementary Rule 73, as amended from time to time.

III. CONVEYANCE ALLOWANCE

A non-official member, resident at a place where the meeting of the Committee is held will not be entitled to travelling allowance and daily allowance on the scale indicated above but will be allowed only the actual cost of conveyance hire, subject to a maximum of Rs. 10, per day. Before the claim is actually paid, the controlling officer should verify the claim and satisfy himself, after obtaining such details as may be considered necessary that the actual expenditure was not less than the amount claimed. In case he is not satisfied with the details he may at his discretion, limit the conveyance allowance to road mileage. If such a member uses his own car, he will be granted mileage allowance at the rates admissible to officers of the first grade subject to a maximum of Rs. 10.00 per day.

4. The travelling and daily allowance will be admissible to a member on production of a certificate by

him to the effect that he has not drawn any travelling or daily allowance for the same journey and halt from any other Government source.

5. The non-official members will be eligible for travelling allowance for the journeys actually performed in connection with the meetings of the committee from and to the place of their permanent place of residence to be named in advance. If any member performs a journey from a place other than the place of his permanent residence to attend a meeting of the Committee or returns to the place other than the place of his permanent residence after the termination of the meeting, travelling allowance shall be worked out on the basis of the distance actually travelled or the distance between the place of permanent residence and the venue of the meeting, whichever is less.

6. The terms of reference of the Committee will be to review periodically fertiliser stocks, consumption in the preceding month etc., plan for future, proper estimation of fertilizer demand in the State, proper control over indents to ensure availability to the full extent of allocations made by the Central Government, selection of distribution agencies for the entire quantity allotted to the State and equitable allotment of distribution agencies to ensure that each distributor opens adequate number of retail depots in the interior areas.

7. The provisions of rule 224 of the C.T.R. will apply *mutatis mutandis* in the case of over-payment made on account of T. A. to non-official members.

8. The Director of Agriculture, Himachal Pradesh will be the Controlling Officer in regard to the counter-signing of the travelling allowances bills of the non-official members and the T.A. bills of these members will be prepared by the Directorate of Agriculture. The expenditure involved will be debitable to Head 31—Agriculture (N.P.) PART II

RECRUITMENT TO SERVICES

3. *Character of Posts.*—The Service shall comprise posts and grades as specified in annexure to these rules, subject to any additions/reductions that may be made by or under the orders of the Government.

4. *Authority Competent to make Appointments.*—All appointments to posts in the services shall be made by the Director in accordance with these rules.

5. *Nationality Eligibility and age etc.*—(i) No person shall be appointed to the service unless:—

- (a) He/she is a citizen of India, and
 - (i) who or whose father has been continuously residing in Himachal Pradesh for a period of not less than 3 years immediately preceding the last date fixed for making applications to a post, or
 - (ii) whose father if dead, continuously resided in Himachal Pradesh for a period of not less than 3 years immediately preceding his death and who has, after the death of his father, continued to reside in Himachal Pradesh upto the last date fixed for making applications for appointment to a post:

Provided that any period of temporary absence from Himachal Pradesh for the purpose of prosecuting his studies or for undergoing medical treatment or any period of such temporary absence not exceeding three months for any other reasons, shall not be deemed to constitute a break in the continuity of such residence, but for the purpose of calculating the said period of three years any such period of temporary absence shall be excluded; and

- (iii) who produces before the appointing authority concerned; if so required or it, a certificate of eligibility granted under rule IV of the Himachal Pradesh, Manipur and Tripura Public Employ-

ment (Requirement as to Residence) Rules, 1959; and in case the Governor in any exceptional case and for reasons to be recorded in writing, relaxes the provisions of sub-rule (a) of this rule, in exercise of his discretion under rule 5 of the Himachal Pradesh, Manipur and Tripura Public Employment (Requirement as to Residence) Rules, 1959, a candidate for appointment to any post in the service must be:—

- (a) a citizen of India, or
- (b) a subject of Sikkim, or
- (c) a subject of Nepal, or
- (d) a person of Indian origin who has migrated from Pakistan with the intention of permanently settling in India:

Provided that if he belongs to category (c) or (d) he must be a person in whose favour a certificate of eligibility has been given by the Government of India:

Provided further that if he belongs to category (d) the certificate of eligibility will be valid only for a period of one year from the date of his appointment beyond which he can be retained in service only if he has become a citizen of India. A candidate in whose case a certificate of eligibility is necessary, may be admitted to an examination or interview and he may also provisionally be appointed subject to the necessary certificate being given to him by the Government; and

(2) Unless he is already in Government service, must produce:—

- (i) a certificate of good moral character from the Principal Academic Officer of his/her University, College, School or Head of his/her educational or technical institution last attended;
- (ii) certificate of good moral character from two responsible persons, not being his relatives, who are well acquainted with him in private life and unconnected with his University, College, School or other educational or technical institution;
- (iii) a medical certificate as, required under rule 10 of the Fundamental Rules and Rules 3 and 4 of the Supplementary Rules;
- (iv) a declaration to the effect that he has not more than one wife living;

Note:—No person, who has more than one wife living or who having a spouse living, marries in any case in which such marriage is void by reason of its taking place during the life time of such spouse, shall be eligible for appointment to service:

- (v) In the case of female Government servant, a declaration to the effect that she has not married a person having already a living wife.

Note:—No woman, whose marriage is void by reason of the husband having a wife living at the time of such marriage or who has married a person who has a wife living at the time of such marriage, shall be eligible for appointment to service:

Provided that the Himachal Pradesh Government may, if satisfied that there are special grounds for doing so exempt any person from the operation of rules in clauses (iv) and (i) above subject to observance of the Central Government's instructions in this behalf.

(3) Must not be less than 18 years and not more than 27 years of age on the date of his appointment:

Provided further that minimum and maximum age limits as prescribed may be relaxed by the competent authority in accordance with the provisions of the rules/instructions issued by the Government from time to time:

Provided further that the maximum age limit may be relaxed in the case of Scheduled Castes/Tribes candidates, displaced persons and other special categories in accordance with the orders issued by the Government of India from time to time:

Provided further that knowledge of customs, manners and dialects of Himachal Pradesh shall be an desirable qualification for purpose of eligibility to the service.

6. *Educational and Technical Qualifications for Direct recruitments.*—The Educational and Technical qualifications for direct recruitment to the posts and method of recruitment to various posts shall be as specified in the Annexure.

7. *Special Provision for scheduled Castes/Tribes and Ex-Servicemen.*—Such % of posts, as specified by the Government, from time to time shall be reserved for Scheduled Castes and Scheduled Tribe candidates and released Indian armed forces personnel who joined service or were Commissioned on or after 1-11-62, and are released at any time thereafter. 10% of the vacancies will be reserved for Class IV Government employees of Education Department, subject to the condition of fulfilment of minimum qualifications being satisfied by them.

In any one recruitment year the total number of vacancies reserved for Class IV. Released Indian Armed Forces personnel, Scheduled Castes and Scheduled Tribes taken together should not exceed 50% of the vacancies to be filled in that year.

8. (a) *Procedure for recruitment by promotion.*—The recruitment by promotion to the posts shall be made on seniority-merit basis subject to the rejection of the unfit from amongst the persons holding posts and within the length of service prescribed in the rules. In other words, for recruitment by promotion both merit and seniority of eligible persons will be attached due importance.

(b) *Procedure for direct recruitment.*—The vacancy/vacancies shall be advertised and circulated amongst the Department of the Government as may be required under the rules and instructions for the time being in force. The selection will be made on the basis of a *viva-voce* as may be prescribed in the advertisement/circular that year.

9. *Probation of Members of Service.*—Members of the service shall remain on probation as specified in the Annexure.

Explanation.—Approval officiating service shall be taken as a period spent on probation but no member who is officiating in any appointment shall on the completion of the probationary period prescribed, be confirmed until he is appointed against a permanent post to the service.

(ii) If the work or conduct of any member during his period of probation is not satisfactory, the appointing authority may, dispense with his services or revert him to his former post if he has been appointed to that post otherwise than by direct recruitment.

(iii) On the completion of the period of probation of any member, the authority competent to make appointment to the post in the service as prescribed in rule 4 may confirm such member in his appointment subject to availability of a permanent post or if his work and conduct has, in the opinion of the appointing authority, not been satisfactory, may dispense with his service, or revert him to his former post, if he has been appointed otherwise than by direct appointment or may extend the period of probation and thereafter.

Pass such orders on the expiry of the first period of probation. Provided always that the total period of probation including extension, if any, shall not exceed three years.

10. *Pay on Recruitment/Appointment.*—The person appointed to any post in the service will get the minimum of the time-scale prescribed for that post, unless the recommendations of the Himachal Pradesh Public Service Commission or the Departmental Promotion Committee are to the contrary or the fixation of the pay under the rules results in pay being fixed at a higher stage than the minimum.

11. *Discipline.*—In respect of the discipline, punishment and appeals, the members of the service shall be governed by the provisions of the Central Civil Service (Classification, Control and Appeal) Rules, 1965, the Central Civil Services (Conduct) Rules, 1964 amended from time to time or such other rules as may be enforced by the Government.

12. *Seniority of Members of Service.*—(1) Subject to the provisions of paragraph (2) below, persons appointed in a substantive/officiating capacity to a post prior to issue of these rules, shall retain the relative seniority already assigned to them or such seniority as may thereafter be assigned to them under these rules applicable to their cases and shall en bloc be senior to all others in that grade.

Explanation.—For the purpose of this rule—

- (a) Persons who are confirmed retrospectively with effect from a date earlier than the issue of this rule, and.
 - (b) persons appointed on probation to a permanent post substantively vacant in a scale prior to the issue of this rule,
- shall be considered to be permanent officers in the scale.

(2) Subject to the provisions of paragraph (3) below, permanent officers shall be ranked senior to persons who are officiating in that scale.

(3) *Direct Recruits.*—The relative seniority of all direct recruits shall be determined by the order of merit of which they are selected for such appointment, on the recommendation of the selecting authority, persons appointed as a result of an earlier selection being senior to those appointed as a result of subsequent selection.

Provided that where persons recruited initially on a temporary basis are confirmed subsequently in an order different than the order of merit indicated at the time of their appointment, seniority shall follow the orders of confirmation and not the original order of merit:

Provided Further that a person who does not join within the specified period shall lose his seniority according to the select list and shall rank in the seniority list next to the person who joined earlier:

Provided Further that he shall not lose his seniority, if the fact of his joining later caused by circumstances beyond his control and for the reasons to be recorded in writing and if the appointing authority is satisfied that this was so.

(4) *Promotees.*—(i) The relative seniority of persons promoted to the various grades shall be determined in the order of their selection for such promotion:

• Provided that where persons promoted initially on a temporary basis are confirmed subsequently in an order different than the order of merit indicated at the time of their promotion seniority shall follow the order of confirmation and not the original order of merit.

(ii) Where promotions to a grade are made from more than one grade, the eligible persons shall be arranged in separate list in the order of their relative seniority in their respective grades. Thereafter the Departmental Promotion Committee shall select persons for promotion from each list strictly on the basis of seniority subject to the rejection of unfit and shall arrange all the candidates selected from different lists in a consolidated form of merit which will determine the seniority of persons on promotions to the higher grades.

(5) *Relative Seniority of Direct Recruits and Promotees.*—The relative seniority of direct recruits and of promotees shall be determined according to the rotation of vacancies reserved for direct recruitment and promotion respectively in these rules.

(6) *Transferees.*—The relative seniority of persons appointed by transfer in the service from or other departments of State Government shall be determined in accordance with the order of their selection for such transfer.

(7) *Explanatory Memorandum.*—Where promotions are made on the basis of selection by a Departmental Promotion Committee the seniority of such promotees shall be in the order in which they are recommended for such promotion by the Committee. Where promotions are made on the basis of seniority subject to the rejection of unfit, the seniority of persons considered fit for promotion at the same time shall be the same as the relative seniority in the lower grade from which they are promoted. Where, however, a person is superseded by a junior, such person shall not if he is subsequently found suitable and promoted take seniority in the higher grade over the junior persons who had superseded him.

(8) Direct recruit shall be ranked in seniority below the promotees, if for any reason, a direct recruit or a promotee ceases to hold the appointment in the grade, the seniority list shall not be re-arranged merely for the purpose or ensuring the proportion referred to above.

13. *Leave and Pension.*—In respect of leave, pension and other (cognate) matters, the members of the service shall be governed by the rules/orders in force from time to time.

14. *Training and Examination.*—The members of service shall have to qualify such examinations or to undergo such training as may be prescribed by the Government from time to time for any class of posts specified in the Annexure.

Crossing of efficiency bar.—No member of the service shall be allowed to cross the efficiency bar unless in the opinion of the Appointing Authority he has worked satisfactorily and his integrity is unquestionable.

16. *Saving.*—All matters not provided for in these rules shall be governed by such general or special rules as may be framed by the Government from time to time.

By order,
PRAKASH CHAND,
Secretary.

NOTIFICATION**

Simple, the 28th March, 1973

No. 1-29/72-L.S.G. -In exercise of the powers conferred by sub-section (1) of section 215 of the Himachal Pradesh Municipal Act, 1968 (Act 19 of 1968), the Governor of Himachal Pradesh having been pleased to confirm the following bye-laws made by the Notified Area Committee Hamirpur, district, Hamirpur, Himachal Pradesh, under sections 199 and 200 read with section 213 of the said Act, are hereby published for general information and shall come into force within the limits of Notified Area Committee, Hamirpur, District Hamirpur, Himachal Pradesh from the date of their publication in Himachal Pradesh Rajpatra.

**NOTIFIED AREA COMMITTEE, HAMIRPUR
BUILDING BYE-LAWS**

1. (1) Every person intending to construct or re-construct any building shall have to apply for such intention in writing to the Secretary of the Notified Area Committee, Hamirpur, in Form "A" appended to these bye-laws and shall at the same time submit:—

- (a) a site plan on tracing cloth, of the land on which it is intended to construct or re-construct the building;
- (b) the specifications to be adopted as detailed in Form "B" appended to these Bye-laws.
- (2) Copies of Forms "A" and "B" may be obtained free of charge in the office of the Notified Area Committee, Hamirpur.
- (3) In the case of a structure proposed to be constructed on a site adjacent to a public street/road under the control or management of the Public Works Department of Government or of any other Local authority, the applicant shall submit the plans and specifications in triplicate and one complete set of the plans shall immediately on presentation, be forwarded by the Committee to the Executive Engineer or to the other Local body concerned for information and approval.

Note. -One complete set of plans must be on tracing cloth, but the other may be ferro copies provided that all lines are sharp and the lettering and dimensions are clear and distinct.

2. The site plan shall be drawn, on tracing cloth, to a scale of forty feet to an inch, shall bear an index explaining any special colour and symbols used and shall show:

- (a) The direction of the north point;
- (b) the boundaries of the site;
- (c) the position of the site in relation to neighbouring streets and level of the site in relation to the street, if any;
- (d) The nature of the building;
- (e) The position of the proposed building in the relation to—
 - (1) Neighbouring structures on all sides; and
 - (2) The boundaries of the site;
- (f) the position of all drains and receivers on or adjacent to the site;
- (g) the scale to which drawn.

3. The site plan shall also show all important features, such as, any fencing boundary pillars, telegraph and electric light poles with their lines of wire, trees, paths, steps and drains on or adjacent to the site. The names of all such feature marked on the plan shall be clearly written.

4. The building plan shall be drawn, on tracing cloth, to a scale 1:50 to 1:100 in metric units or four feet and not more than eight feet to an inch and shall show:—

- (a) the nature of the proposed building;
- (b) the purpose for which it is intended to use the proposed building and its various parts (in describing the use of various rooms the work "godown" may be used only to describe a room which is meant for storage purposes only and which is not intended for human occupation.
- (c) the plan and dimensions of the ground floor and of every additional floor including all corridors stairs, doors and windows;
- (d) a section and an elevation of the proposed building with full dimensions showing:—
 - (i) The foundations and the level of the lowest floor with reference to the level of the ground all round the building and to the centre of the street, if any, on which the front of the building is to be about; and
 - (ii) the height of each storey and the total height of the building.
- (e) the position and dimensions of all projections beyond the main walls of the building; and
- (f) the position of all proposed urinals, drains, cesspools, latrines and privies.

5. In both the site plan and the building plan the existing features namely, buildings, trees and other land marks shall be shown in black, existing roads in brown, drains nullah in blue, proposed new features in red, and any proposed demolition in green.

6. The Committee may require any person who has submitted an application for sanction to construct or re-construct any building to submit in addition to the plans and specifications required in bye-law No. 1. The complete elevation and additional sections of the proposed building with full specifications regarding the material and method of construction to be used for external walls, partition walls, foundations, roofs, ceilings, floors, staircases, fire places and chimneys.

7. In the case of a building likely to be used as a factory, adequate provision shall be made for housing accommodation in connection therewith.

8. The walls of every building shall be constructed of non-inflammable material and in the case of partition walls between adjoining houses their thickness shall, be not less than 9 inches.

9. All buildings shall be roofed with a fire resisting material to be approved by the Committee. The roof shall be of sufficient strength to ensure stability and shall be provided with adequate gutters, rainwater pipes and snow-guards. A damp proof course composed of some hard impermeable material such as asphalt, slate, lead or vitrified bricks shall be included between the second and third course of bricks above the ground level in order to prevent dampness.

10. (i) The floor of every building at plinth level shall be made of cement concrete. If a room on the ground floor is intended for human occupation the floor shall be at the same level as the damp-proof course and may be allowed to be of wood instead of cement concrete.

(ii) The Committee may sanction a floor intended for human occupation at plinth level to be built of wood provided that this is made of planed, tongued and grooved or rebated, deodar planks laid carefully with close joints in such a manner as to permit of a clear air space of 6 inches between the floor joints and the ground, and provided further that the level of the wooden floor is 6 inches above that of the damp-proof course. Such air space must be adequately ventilated to allow free circulation of air by openings measuring at least 6" x 9" and to the external air and provided with fine meshed wire-gauge to exclude vermin. At least one such opening shall be provided for every 150 square feet of floor area. In no case shall fewer than two such ventilators be provided.

11. Every living or sleeping room shall be provided with a fire place. No fire place to be used as such shall be constructed unless the floor beneath it and around it for a width of three feet has been rendered fire proof by being covered with the earthenware tiles or concrete or some other fire-proof substance.

12. Every fire-place shall, before use as such, be provided with a chimney with an iron, brick or stone flue to afford free means of exit for smoke.

13. No flue shall be so constructed as to pass through or be within 18 inches of any wall or structure made of inflammable material except at its point of exit, at which it shall be rendered safe by a ceiling of non-inflammable material at least one foot thick.

14. In no building shall any open sewer or drain pass through any room used or intended to be used as living or sleeping room.

15. No. drain shall be constructed within the thickness of any wall of any building.

16. All stack-pipes for the disposal of roof drainage shall be of cast iron or G. C. sheet not thinner than 24 S.W.G.

17. The kitchen shall consist of a wall lit and ventilated room in which the food could be prepared according to custom, a proper fire-place with an effective flue, or other arrangement to prevent any smoke invading the kitchen and a suitable sink in which cooking utensils, plates, etc. can be washed after use. A wall cupboard with two shelves prepared, shall be provided in the kitchen. It shall be placed in the wall away from the fire-place and shall be ventilated adequately with gauge air brick and protected from flies. Doors and windows in the kitchen will be made fly proof by providing wire-gauge on them.

18. Every latrine, privy, urinal, bathroom and cooking place shall be provided with a drain constructed of pipes of glazed stone-ware or other impervious material and connecting the floor of the latrine, privy, urinal, bathroom or cooking place with a Municipal drain where no other alternative is possible:

Provided that where a sewer connection is possible, connection to the water carried system for all houses—hold sullage must invariably be made and wherever possible all old/new houses should be provided with flush or water borne latrines rather than dry ones

19. Every latrine, privy and urinal shall be at least 3' x 3' feet in size (internal dimensions) and all junctions of walls and of the floor and walls shall be rounded in order to facilitate cleaning.

20. Masonry latrines and privies which are on the dry system shall be so constructed that all solids fall directly into a moveable receptacle of metal or pottery and of a pattern approved by the Committee, fittings close beneath the seat.

21. The floor of every latrine, privy or urinal—
(a) shall be of impervious masonry, asphalt, tiles or cement;

(b) shall be in every part at a height of not less than three inches above the level of surface or the front adjoining the latrine, privy or urinal; and

(c) shall be made smooth and shall slope to the drain in such a way that all liquid will flow off quickly.

22. In every latrine, privy and urinal the walls to a height of three feet above the floor, and the seat in every latrine and privy shall be of metal or masonry, provided that in the case of water close of European type the seat may be of wood.

23. Every latrine, privy and urinal shall be provided with adequate ventilation which in the case of a latrine, privy or urinal situated in or near a building, shall be effected by any opening or openings which shall not be less than one square foot in area in one of the walls and as near the roof as may be practicable and communicating directly with the open air.

24. Every latrine or privy shall be so constructed that—

(a) there shall be adequate access thereto for the purpose of cleansing; and

(b) when the outer door thereof is open, the seats shall not be visible from the street or other public place.

25. (i) No person shall install water-flushed latrines in his house unless it is connected with the Municipal sewer or unless arrangements are made to purify the sewage in a properly constructed septic tank of suitable size and to discharge the effluent into a Municipal sewer or into a sullage drain certified by the Municipal Engineer and the Medical Officer of Health to be capable of carrying off the effluent without danger to the health of the public. Such installations shall be constructed under the supervision of a Sanitary Engineer and shall be approved by the Municipal Engineer before they are taken into use.

(ii) No person shall dispose of the effluent from a septic tank by surface irrigation or by sub-soil drainage or into an open unlined cesspool.

26. No privy other than a water-closet of the European or Indian type shall be placed on any upper floor of a building unless movable receptacles are provided.

27. No person shall construct a private cesspool —

- (a) if there is a municipal drain within one hundred and fifty feet of the premises for which it is required;
- (b) except a cesspool of masonry in line, cemented the surface, with an iron movable receptacle and an air-tight cover to allow the disposal of sullage by hand carriage;
- (c) unless adequate access is provided thereto for the purpose of cleansing it; and
- (d) unless it is impracticable, or impossible by reason of the lack of a suitable site or because of the nature of the ground, to build a soakage pit.

28. No portion of any building in a street in which a line of frontage has been fixed by a resolution of the Committee shall be built to project beyond such line of frontage, nor shall the door of any building be made so as to encroach on a street when opened.

29. No building shall be constructed within 15 feet of the centre line of a public street in the station ward.

Note:—This will not apply to the Bazar Area, where the frontage line of shops is already fixed.

30. No building intended for human occupation shall be constructed within five feet of a hill side unless there is a clear space not less than three feet in width and open to the sky between such hill side and every part of any wall of the building facing such hill side; provided that such clear space may be traversed by a bridge or bridges giving communication between the building and the hill side but covering not more than 25 per cent of the dry area.

Note:—This bye-law will not generally apply in the Bazar area and where provision of dry area is not feasible, a cavity shall may be allowed against the hillside.

31. No person shall construct any room to be used as a living or sleeping room unless it is provided for the purpose of a light and ventilation with one or more windows, which with the doors or other apertures shall have a total area equal to not less than one fourth of the floor area of such room. Every such door or window shall be so constructed that the whole of it can be opened.

32. No person shall construct any room to be used as a living or sleeping room with a superficial floor area of less than 144 square feet and unless it is given free circulation of air.

33. (1) In the case of building consisting of a single storey, the height of every room intended for human habitation shall be not less than eight feet six inches measured from floor to ceiling.

(2) In the case of building of more than one storey, including the ground floor, the height of each storey shall be not less than eight feet six inches in the case of the ground floor and eight feet in the case of every other floor.

(3) Every horizontal division of a building so constructed as to make it habitable shall be considered to be a storey for the purpose of this bye-law even though such division may not extend over the whole depth or width of the building.

(4) For the purpose of this bye-law the height of a storey shall be reckoned as follows:—

- (i) In the case of a single storeyed building and of the upper-most storey of a building of more than one storey, from the level of upper surface of the floor at any point along the walls within the building to the level of the underside of the tie-beam, or if there is no tie-beam, to the meeting point of the outside walls and roof;
- (ii) in the case of any storey, except the upper-most storey of a building of more than one storey, from the level of the upper surface of the floor to the level of the upper side of the floor to level of the upper side of the beams or joints on which the floor above rests, or if the floor above is ceiled, to the level of the underside of the ceiling; and
- (iii) in the Bazar Area and in all other areas which may be considered to be congested areas by the Committee every building abutting on the southern side of a street shall be so constructed as to be within a building angle of not more than $37\frac{1}{2}^\circ$. In the case of building abutting on the other sides of a street a building angle not exceeding 45° may be allowed.

Note:—The term building angle means the angle formed between the horizontal line at street level and a line drawn from the higher point of the proposed building to the farthest edge of the street opposite the proposed building.

34. (a) Every building of more than one but not more than three storeys, including the ground floor, shall be provided with a stair-case of a clear and unobstructed width of not less than three feet.

(b) Every building of more than three storeys (including the ground floor) shall be provided with a staircase of a clear width of not less than three feet for the top storey and one immediately below it and this shall be increased in width by six inches for every lower additional storey, so that in the case of a five-storeyed building the staircase will be four feet six inches wide at the bottom.

(c) No step in a staircase shall be more than $7\frac{1}{2}$ " in height or less than 10" in breadth.

(d) Every staircase must be so constructed that the day light will provide adequate illumination in all parts.

35. No passage shall be constructed of a width of less than three feet six inches and every passage connecting two stair cases shall have a clear and unobstructed width equal to that required for the wider staircase.

36. No person shall construct any building of more than five storeys, including the ground floor, and no person shall construct any building of more than two such storeys unless the outer walls of such buildings are made of brick, stone or reinforced concrete.

37. The floor of every godown intended to be used for the storage of foodgrains shall be made of cement concrete and shall not be less than six inches thick in the case of ground floor but in the case of other floor it shall be of reinforced cement concrete, design of which should be approved by the Municipal Committee.

38. Buildings bona fide required by agriculturists for their own residence or for purposes of agriculture or for purpose subservient to agriculture shall be exempt from operation of these bye-laws provided such buildings are erected or situated within the agricultural holding of the agriculturist or in abadi deh.

Note:—Agriculturist for the purposes of these bye-laws means a person who earns his living by tilling the land within the limits of Hamirpur Notified Area Committee and includes such members of his family as may be dependent upon him.

39. It shall be an offence, in the case of a new building or additions to an old building sanctioned by the Committee to occupy or permit the occupation of such a building or addition until a completion certificate given by the owner and attested by Municipal Engineer, and Medical Officer of Health and, if necessary, by the Engineer Water Works and Drainage and the Electrical Engineer of the Committee, that the house has actually been constructed according to the sanctioned plan and that no unauthorised additions or deviations have been made. The attestation will be completed and communicated to the owner within 15 days of the receipt of the completion certificate.
